EMERGENCY PROCEDURES

Client's Property

Gas leak	0800 111 999 National Helpline
Water leak	Please turn off the Stop Water Tap. The location of which will be provided in the Property Information on the S4P Shareportal.
Electric issues	Please familiarise yourself with the location of the fuse box. The location will be provided in the Property Information section on the S4P Shareportal. It may be necessary to show the tradesperson the location of the fuse box.
Accidental damages to client property	If there are any accidental damages such as soiled carpet, damaged pet toys/leads, blown lightbulb, broken glass, torn garment etc then please complete the Accidental Damage section on the S4P Shareportal.
Garden / outside the property	If there are any issues with these areas (such as a damaged wall, unsafe pathway) please contact the relevant person (ie Gardener) from the Property Information section on the S4P Shareportal.
